X51R

Great Expandability

Print

■ 15.4" Widescreen Gateway to the World of Entertainment

The 15.4" widescreen X51R will change what you see and what you hear. With limitless mobility, you can embrace the world of entertainment with just a few clicks whenever and wherever. Open up the ASUS X51R and treat yourself to the ultimate visual and audio experience

■ Great Expandability

The X51R provides 4xUSB 2.0 ports and a 4-in-1 card reader (SD/MMC/MS/MS Pro). Use high-speed external peripherals such as hard drives, scanners or digital camcorders at SCSI speeds with USB2.0 support the features such as, integrated LAN, modem and PCMCIA support are also available.

■ ASUS Splendid Video Intelligence technology

The exclusive ASUS Splendid Video Intelligence technology is especially effective for human skin tones, green stretches of grass and trees and blue sky and sea.

It takes PC graphics capability to the next level by enhancing depth and color intensity in real time. It further improves contrast, brightness, skin tone and color saturation for vivid image display. Incorporated with the exclusive ASUS Splendid Video Intelligence Engine (activation hot key: Fn+C), the LCD presents clear and sharp images in their true vibrant colors.
