

## Belkin Pro Series Hi-Speed USB 2.0 Cable, 1.8m / 6 ft

Part # F3U133-06

Now you can attach all your high-speed USB devices to your computer and enjoy error-free transmissions. The Belkin Pro Series Hi-Speed USB 2.0 Cable is the perfect solution for connecting your USB printer, scanner, hard drive, and other equipment. It supports up to 127 devices on a daisy-chain configuration and transmits data at up to 480Mbps. Gold-plated copper contacts provide maximum conductivity and minimize data loss, and our hot-pluggable design assures fast connectivity.

### Advantages

- Transmits data at up to 480Mbps with error-free high performance
- Works with USB 2.0 devices
- Supports up to 127 devices on a daisy-chain configuration
- Ensures high-speed, error-free transmissions
- Includes a Belkin Lifetime Warranty
