

Belkin NE-TL2 Top-Loading XL Case

Executive Series 

Part # F8N002

This brilliant top-loader lets you easily access and replace your notebook in its snug and secure honeycomb frame. The TL2's lightweight, ergonomic design and its supersoft-yet-sturdy handle and strap make for easy lifting and transport. Abundant room for pens, pencils, ID cards, paper files, and media, gives the NE-TL2 its value-add as an investment in durable style, for a lifetime of office mobility.

Advantages

- Carries your notebook securely in reinforced honeycomb frame
