

Belkin PureAV Series 6-Way (2m Cord) + TEL+AV+\$150K Warranty

Part # F9A623au2M

Power surges and lightning strikes can damage or reduce the life of home entertainment and other electronic equipment. Did you know simply switching appliances on and off can create potentially harmful electrical imbalances? The Belkin PureAV Home Theatre Surge Protector is your premiere solution for clean, safe power and the industry's best in construction, ratings, and safety standards.

Our decades of research and power protection development have led us to the release of this breakthrough series. Using advanced design elements and top-quality construction as well as superior circuitry. Belkin engineers and rigorously tests all its products to ensure your equipment will be safe from harmful electrical imbalances.

Our Connected equipment warranty means if your device is destroyed then we buy you a new one.

Advantages

- Power Filter Technology - helps prevent AC and EMI/RFI contamination.
- PureAV Labelling System - cable management system included in every package
- Removes Power spikes, surges and interference
- Delivers clean, clear and safe power
