BEKIN 6-WAY SURGEPROTECTOR WITH TEL F9S620AU2M

BELKIN 6-WAY SURGEPROTECTOR WITH TEL – 2m Cable

Protects household appliances from damage caused by power surges, spikes and lightning.
Lifetime product and connected equipment warranty.

- Lifetime Product Warranty - Belkin will replace, free of charge, any Belkin surge protector that is defective or expires after protecting electronic devices.
- Connected Equipment Warranty - Belkin will repair or replace any equipment damaged by a surge, spike, or lightning strike while properly connected to a Belkin surge protector, up to \$40,000
- To have a surge protector replaced under the lifetime product warranty or to make a connected equipment warranty claim simply call Belkin on 1800 235 546.
- Provides advanced protection and insurance against electrical surges
- RJ11 Protection - Protects modems, faxes or telephones from lightning
- 1940 Joules - The joule rating is a measurement of the energy a surge protector can absorb. A higher joule rating reflects higher-quality surge protection and longer product life
- 45,000 Amp maximum spike current - Maximum spike current is measured by amperage. A higher amperage rating reflects greater absorption capacity against lightning or sudden dramatic power surges
- 6000 Volt maximum spike voltage
- <1 Nanosecond response time - A rating of <1 nanosecond (a billionth of a second) is an instantaneous response that prevents harmful power disturbances from damaging equipment
- EMI/RFI Noise filtration - 150kHz~100MHz up to 58db reduction
- Continuous Duty Electrical Ratings - 250V/10A/50Hz/2400W
