

Nobo Kapture™ Digital Flipchart

A plug and play solution,
Nobo Kapture™ is as easy as 1, 2, 3....

→ Step 1

Plug the USB receiver into your PC and load the software. Using their Bluetooth capabilities pair the USB receiver and Digital Marker Pen together.

→ Step 2

Notes and ideas written on the Digital Flipchart Pad are instantly captured onto your PC. Pages can also be re-ordered or edited before saving.

→ Step 3

Meeting notes can then be shared via email in seconds!
